

Every night in Minnesota, 4,000 youth are homeless and on their own. They don't have a safe place to call home, and are often struggling in school and are at great risk of exploitation. But these young people are strong and filled with potential and dreams.

Support Avenues Through a Donation Drive

Avenues for Homeless Youth offers emergency shelter, short-term housing and supportive services for homeless youth in a safe and nurturing environment. **Avenues provides youth with a home and services they need to move from surviving the streets to thriving young adults—and we could use your help.**

If you think your employees or customers would like to help Avenues end youth homelessness, consider hosting a donation drive. Avenues is home to over 300 youth every year, and a donation drive can help us provide youth with their basic needs for months, or even a full year. **Hosting a donation drive is easy—Avenues will provide the donation bins, drop-off and pick-up services, and support to get your employees or customers motivated.**

Needed Items
