Dear _____ (insert name of the elected official representing your district),

My name is _____ (first and last name), and I live in ____ (insert city), ____ (insert state) within district ____ (insert legislative district). As a constituent, I am asking that you support SF 4213 (Champion) / HF 4188 (Lee) to appropriate grant funding to Avenues for Youth.

For over 27 years, Avenues for Youth has partnered with youth experiencing homelessness by providing emergency and long-term shelter, food and basic living needs, educational and job counseling, and mental health support.

While Avenues for Youth works with over 250 young people a year, there are roughly 6,000 young people every night in MN that are experiencing homelessness. To meet this growing crisis, Avenues is exploring a new home in North Minneapolis that can offer greater housing support to youth.

Please demonstrate the compassion of our district and support this bill!

Sincerely,

_____ (first and last name)

_____ (residential address)

_____ (city, state, zip)
