BUILDING ON

DREAMS

AVENUES  
FOR YOUTH

## BECOME AN EVENT HOST

The role of Event Hosts is to help Avenues for Youth raise awareness about its mission by inviting individuals from the community to attend Building on Dreams. Engaging many Event Hosts (at least 30), helps us to spread the word more quickly and in a more personalized way.

### BEING AN EVENT HOST IS SIMPLE

- Say yes and sign-up!
- Receive a toolkit with information to get you started and sample messages to share with your guests.
- Invite 5 to 10 of your friends, family, and/or colleagues to Building on Dreams.
- Remember, there are no tickets to sell; this is a free event for you and your guests.
- Your aim during the event is simply to help your guests to feel welcomed and connected.
